

# BLUERUNNER SOLUTIONS

## HOSPITALITY BOOKING SYSTEM

### KEY FUNCTIONALITY

- Showcase full menu with imagery and nutritional information
- Full reporting suite with the ability to export
- Apply and set budgets to chosen cost centres
- Manage daily and ad hoc recurring bookings
- Automated notifications on booking status

### KEY BENEFITS

- Offer complete transparency over the booking process
- Full control over budgeting and recharging
- Save administration time by accessing daily reports
- Increase overall spend by upselling
- Simple and efficient interface for ease of use
- A safeguarding platform to manage allergen and special diet requirements

**6.4%**

Average reduction in administration costs

**12%**

Average reduction in food waste

**5%**

Average increase in hospitality revenue

“...the hospitality booking system has allowed the school to effectively manage catering events ... We would recommend this system to anyone who is looking to save time on administration and delivery of hospitality events”

– Catering Manager, New Hall School
